Featuring “oversized” windows with “open” city views and 10-foot ceilings, this “recently renovated” condo feels very “loft-like,” even though it’s in a full-service postwar building on East 82nd Street. Other bonuses: “generous-sized” bedrooms, a washer/dryer and central air conditioning. Agents: Soozy Katen and Stephanie Kanner, Fox Residential Group, 212-639-9741 and 212-639-9719
